

## **HURRICANE PF-203**

### **VERSATILE FLOOR AND HARD SURFACE CLEANER**

#### **Description**

Hurricane is a highly efficient, concentrated, heavy duty floor and hard surface cleaner. It is designed for use in all types of automatic floor scrubbers and mop bucket applications. Hurricane emulsifies and removes heavy grease, carbon deposits, dirt and oily residue quickly and easily.

#### **Features & Benefits**

- Safe to use on painted surfaces
- Will not leave a sticky residue
- Effective for keeping walkways slip-free around work stations
- Superb for aisles and walkways in industrial shops
- Excellent for concrete, brick pavers, painted, coated, or any other type of flooring

#### **Health & Safety**

See the most recent MSDS which is available directly from Precision Fluids, your local salesman, or authorized distributor. Precision Fluids uses only raw materials not listed as carcinogenic by IRAC.

#### **Physical Data**

**Appearance:** Liquid  
**Color:** Green

#### **Application**

Apply by mopping, swabbing or brushing on floor surface. Hurricane is excellent for use in automatic scrubbers. This product works with warm or cold water.

- Dilute 10:1 with water for mop bucket applications. For heavily soiled areas, pre-spray or mop on and allow to penetrate. Rinse with water and mop up.
- Dilute 50:1 for use in automatic scrubbers. For heavy grease, pre-spray area and allow to penetrate. Vacuum up with automatic scrubber.
