

## **POWER HAND SCRUB PF-360**

### **HIGHLY EFFICIENT POLY-BEAD HAND SOAP**

#### **Description**

Power Hand Scrub is a semi-dry, paste-like hand cleaner that uses tiny, round poly beads for effective heavy duty cleaning.

Does not contain solvents, which de-fat skin, typical of today's hand cleaners. Gentle and effective. Does not contain pumice or acids. Biodegradable.

#### **Features & Benefits**

- Effective on most types of grease, grime, dirt, oils, and soils associated in a metalworking environment.
- removes soils with incredible ease.
- Special cellular conditioners soften and nourish skin right down to the pores. Will help to heal cracked, dry hands.
- Also removes tar, asphalt, glue, adhesives, paint, printers ink

#### **Health & Safety**

See the most recent MSDS which is available directly from Precision Fluids, your local salesman, or authorized distributor. Precision Fluids uses only raw materials not listed as carcinogenic by IRAC.

#### **Physical Data**
