

TORNADO PF-124

CONCENTRATED HEAVY DUTY DEGREASER

Description

Tornado is a concentrated, heavy duty, water-based degreaser that is highly effective for the most difficult cleaning jobs. Tornado is excellent in a wide range of applications.

Tornado should not be used on painted surfaces, as high alkalinity will adversely affect them.

Features & Benefits

- Effectively removes dirt, grease, grime, oil, and other soils quickly and easily.
- Excellent for difficult cleaning jobs such as metalworking machines, tools, equipment, industrial machinery, metal parts, engines and other industrial equipment.
- Equally effective for hard surfaces

Health & Safety

See the most recent MSDS which is available directly from Precision Fluids, your local salesman, or authorized distributor. Precision Fluids uses only raw materials not listed as carcinogenic by IRAC.

Physical Data

Appearance: Liquid
Color: Green

Application

Works with warm or cold water. Extremely effective when used in a high pressure spray system.

- Dilute 10:1 with water for heavy duty applications.
- Dilute 20:1 with water for general purpose applications.
- Dilute 40:1 with water for light duty applications.

Spray on surface to be cleaned, allow time to penetrate, rinse with water or wipe with clean cloth. For heavily encrusted areas agitate with brush.
